REVOCATION AND NEW POWER OF ATTORNEY

Under 37 C.F.R. § 3.73(b), McGill University, a university, certifies that it is the assignee of 100% of the right, title, and interest in the patent application identified above by virtue of:

An assignment from the inventors of the application. The assignment was recorded in the Patent and Trademark Office at Reel 011063, Frame 0347 on August 24, 2000.

The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee.

The undersigned, acting on behalf of the assignee, hereby revokes all powers of attorney previously granted in the application and appoints the attorneys and/or agents associated with customer number **21559** with full power of substitution and revocation, to prosecute the application and to transact all business in the United States Patent and Trademark Office connected therewith.

All correspondence regarding the application should be sent to the address associated with customer number **21559**, which is Clark & Elbing LLP, 101 Federal Street, Boston, MA 02110.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,

Date: 15/04/2004

Alex Navarre
Officer, Technology Transfer
McGill University
